List	Item Name	Model Name	Pictures	Info
1	Car Dashboard Polish 450ml	X-023		Protect the instrument panel from UV radiation, high temperature and ozone gas; anti-aging, anti-static
2	Car Dashboard Polish 220ml	X-027		Protect the instrument panel from UV radiation, high temperature and ozone gas; anti-aging, anti-static
3	Multi-Purpose Foam Cleaner 650ml	X-038		Clean panels, awnings, furniture fabrics, metal, etc.; foam rich and clean decontamination, non-irritating and non-toxic
4	Carb Cleaner 450ml	X-032		Effective and quick removal of oil and carbon dirt from carbohydrates and spark plugs

5	De-rust Lubricant Spray 450ml	X-039		Quickly penetrates rusted parts to remove rust, high quality moisture and rust
6	Tire Foam Cleaner 650ml	X-037		The foam is rich in decontamination and oil removal; anti-aging, cracking, fading; Restore tire luster; water based
7	Engine Exterior Cleaner 650ml	X-033		Effective rust prevention; cleaning of oil from engine, air compressors and other machines
8	Pitch Cleaner 450ml	X-048		Quickly dissolves and removes asphalt, paint and dirt; high quality and advanced solvent; restores vehicle luster
9	Air Conditioner Deodorant 120ml	XC012		Imported stock solution, natural extraction, environmentally friendly products. Contains nanotechnology, purifies air and keeps the air fresh

10	Tire Shine 18L	X-057		Water and wax balanced proportions; use a variety of tires; form a bright protective layer to extend tire life
11	Car Wash Shampoo 18L	X-056		Concentrated formula, rich in foam, strong decontamination, neutral pH, harmless to the skin; clean and dirty and protect the original surface
12	All Purpose Cleaner 18L	X-058		Clean tiles, oil on floors and wooden furniture, also suitable for artificial leather upholstery, cotton items; do not hurt hands, environmentally friendly and degradable
13	Self-Cleaning Agent 18L	XCO46		Multi-purpose self-cleaning agent upgraded version, washable engine, car wash, remove iron powder, etc.

14	Leather Cleaner 500ml	X-073		Clean leather seats, etc., restore gloss and protect leather finish
15	Wheel Hub Cleaner 500ml	X-072		Safe and rapid removal of metal oxides, carbon oxides and oils; No damage to wheels and tires
16	Upholdstery Cleaner 500ml	X-049		Clean tiles, oil on floors and wooden furniture, also suitable for artificial leather upholstery, cotton items; do not hurt hands, environmentally friendly and degradable
17	Engine Coating Sprayer 500ml	X-071		Effective rust prevention; cleaning of oil from engine, air compressors and other machines

18	Anti-fog Sprayer 100ml	X-070		Highly effective anti-fog products, using active factors to form a hydrophilic transparent film, avoiding any fog, lasting anti-fog, harmless to rubber
19	Water Repellent 100ml	X-084		Suitable for special resins, forming a transparent waterproof layer, just like raindrops can not be attached to the lotus leaves, keeping the lane clear
20	Auto Windshield Cleaner 60ml	X-031		Used to clean car windshield; special concentrated with no water; thoroughly clean dirt; environmentally friendly, neutral PH; no damage to glass, avoiding stains left by water
21	Fuel Additive 60ml	X-030		Eliminate carbon deposits, increase power, save fuel, protect oil pumps; 50 ml can handle 40 to 60 liters of gasoline

22	Deodorant 200ml	X-013		Decomposes formaldehyde, TOVC, benzene, patchouli alcohol; sterilization; harmless to human body
23	Fast Coating Wax 200ml	X-084		Using nanotechnology, the paint surface is applied faster and more efficiently, and the operation is simple, one spray and one rub, and excellent protection effect.
24	Super Duty Rubbing Compound 1L	X-076		Remove moderate or severe scratches on the surface of the coating; eliminate severe oxides
25	Medium Duty Rubbing Compound 1L	X-077		Remove medium scratches, medium oxide layers, vortex marks, etc.

26	Rubbing Compound Glaze 1L	X-078		Improve brightness and protect paint finish
27	Chassis Sealant 1L	X-086		Excellent adhesion can protect the chassis well; form a protective layer after drying, can replace the PVC layer; have anti-rust, plugging, repair and sound insulation; prevent shock and oxidation
28	Car Scratch Remover 300ml	X-047		Removes fine scratches and vortex marks; cleansing effect; maintains gloss; water-based; easy to apply
29	Plating Crystal Wax 300g	X-059		Made of imported Brazilian carnauba wax, special quality paraffin nano material; powerful decontamination ability; forming multi-layer special protective film

30	Tire Inflation Repair Kit	X-018		<p>Inflation and tire repair liquid two ways to repair the tire; 5 minutes can complete the tire inflation; easy to use, easy to carry</p>
31	Fuel Additive 100ml	-		<p>Using German technology, Germany imports BASF raw material; high-end automotive professional fuel additive, protects the cars</p>
32	Purify Balm	X-065		<p>It can remove bacteria and odor, treat AC odor, cigarette flavor, fishy smell and chemical odor; restore fresh air environment</p>
33	Purify Balm with Methanal Sprayer 80ml	X-015		<p>It can remove bacteria and odor, treat AC odor, cigarette flavor, fishy smell and chemical odor; sprayer's inhibition rate reaches 99.9%; restore fresh air environment</p>

34	Brake Disc Cleaner Kit	-		Brake disc cleaning and moisturizing maintenance kit
35	Single Ceramic Coating Kit	X-043		Infiltrate the paint, restore the gloss of the car paint, provide long-lasting protection; the lotus leaf protection effect makes the paint have strong water resistance; improve the hardness and high temperature resistance of the paint surface, make it harder and prevent scratching
36	Binuclear Ceramic Coating Kit	X-044		Based on the effect of single-plated crystal, add a bottle of lacquer-based degreaser to clean the lacquer and a bottle of crystal elastomer to increase the gloss and elasticity of the lacquer

37	New Emergency Car Jump Starter10800amh	-		It can start 12V diesel and petrol cars; other electronic products are also suitable; high efficiency and large capacity; comes with a pair of power storage clips and a home adapter;
38	Borescope Tool Used For Air Conditioner Cleaner Spray	-		It can clean the dust on the surface of the evaporator; it can disinfect the car air conditioner to remove the odor; it can inhibit the mold and bacteria in the air conditioner.
